Re: March Meeting

Industry, Investment Committees to Meet in March

The Investment and Industry Committees, advisory panels to the Authority Board of Directors, will meet during March.

The Investment Committee will meet via teleconference at 2:30 p.m. on Thursday, March 4, in the Authority offices.

The Industry Committee will meet at 10 a.m. on Thursday, March 11, in the Authority .

A tentative schedule for the Industry Committee includes a review of the Manufacturing Extension Network annual operating plan, and review of operations data and National Institute of Standards and Technology reports.

The meetings are open to the public. The Authority is located at 100 Main Street, Suite 450, Little Rock, Arkansas.

The Arkansas Science & Technology Authority serves as a statewide funding resource for high quality scientific and technological projects. The Authority endeavors to bring the benefits of science and technology to the people and state of Arkansas through scientific research, technology development, business innovation, and education.
